# **PARENT HANDBOOK 2024**

## **INTRODUCTION**

Welcome to St Louis de Montfort's Catholic Parish Primary School Community. We trust that your association with the school will be both a happy and rewarding one.

This information booklet has been put together in order to explain important policies and procedures adopted by the school.

We recognise that parents make an important contribution to the education of their children and welcome their involvement and participation in education programs at school.

We ask that you read this booklet carefully and keep it as a reference so that you are familiar with the operation of our school and are able to support and encourage us in the education of your child. Any changes to our policies will be advised when necessary through the school newsletter or on our website.

Yours faithfully

Mrs Carmel Stutterd

## STAFF MEETINGS

Staff meetings are held on Tuesday and Wednesday of each week from 3.30pm to 4.30pm. Parents are reminded that teachers will not be available for meetings after school on these days.

## **RIGHTS AND RESPONSIBILITIES**

To assist the students to grow and develop, the school will work in partnership with parents and the school community.

### **RIGHTS**

**All members of our school community have the following rights:**

1. To be safe and happy
2. To be treated with respect, regardless of age, gender, race, religion, disability or impairment or difference
3. to teach, learn, work and play

### **RESPONSIBILITIES**

**St Louis staff have a responsibility to:**

1. provide a safe and supportive environment
2. treat our community respectfully
3. provide quality learning opportunities
4. to uphold the catholic ethos

**Students have a responsibility to abide by the following rules:**

1. I follow directions
2. I show respect
3. I am responsible for my actions
4. I strive for my personal best
5. Elaborated expectations surrounding these school rules are noted in our expectation matrix included in this handbook

**Parents have the responsibility to:**

1. Treat all members of the school community with respect
2. Nurture a positive relationship with the school community
3. Support and endorse the school's values and mission and vision statement

### **PROCEDURES FOR DEALING WITH BEHAVIOURAL ISSUES**

1. St Louis philosophy is that behaviours should be modeled and taught explicitly. At times students will engage in behaviour that is not conducive to creating respectful and positive relationships. Behavioral errors will be dealt with in a timely, respectful and restorative manner and each situation will be dealt with taking into consideration the context in which it occurred. When dealing with behavioural errors teachers will do so with a focus on individual sacred dignity and in alignment with child safety standards.

2. Most behavioural errors will be able to be resolved or redirected through Restorative conversations and repairing of damage done. At times some students may display behaviours that are deemed serious and require further intervention. If teachers have a serious incident in the classroom they may ask for leadership assistance or refer the incident to the Student Support Group for further evaluation and assistance specifically when patterns of behaviour occur. Some students will require a more targeted and specific individualized behavioural intervention through the development of a Behavioural Support Plan. These positive support plans will be devised by the Student Support Group
3. When dealing with behavioural errors teachers need to follow the behaviour pathway plan (Appendix 2)
4. NB: Teacher must fill in the MACS Online Incident Report for any serious accidents on the day of the incident.

## RESPONDING TO SERIOUS OFFENCES

Serious offences include:

1. Wilfully hurting another person
2. Wilfully destroying property
3. Engaging in any behaviour that stops the class functioning properly
4. Engaging in behaviour that is a threat to a student's own or the safety of others
5. In response to a serious offence the Student Support Group may be convened to consider the needs of the student and the appropriate disciplinary action or intervention to be taken. The student will have an opportunity to have a voice in this process and will be included in decisions made. Parents/carers will be notified and included throughout this process.

# ATTENDANCE

## ABSENCE FROM SCHOOL

If your child is unable to attend school, you are asked to register your child's absence on Compass or call the office on 9580 5169 before 8.30am and inform the school of the relevant reason. You must register or call the school on each day of the absence. St Louis will not assume that your child is unwell.

It would be appreciated if family holidays were arranged within school holiday time where possible.

If your child is listed as an unexplained absence, you will receive a Compass notification advising of your child's absence and requesting you to notify the school promptly. If you do not contact the school and the school is unable to contact you, or your child's emergency contacts, the school must call Emergency Services. This is an Education Department requirement. Please refer to the MACS Attendance Policy.

[MACS Attendance Policy](#)

## LATE ARRIVALS

Parents need to ensure that their children arrive at school prior to the first bell (8.45am). Children who arrive late for school must obtain a 'late pass' from the school office to present to their class teacher.

## EARLY LEAVERS

If your child needs to leave the school during the school day, please call the school office and request that your child is brought to the office before you arrive to collect your child. Under no circumstances is a child permitted to leave the school grounds before the end of day bell without an adult.

## LATE PICK UP AFTER SCHOOL

It is expected that parents and carers will collect their children from the school on time. It is not the responsibility of any staff member to look after your child after school. If in an emergency parents cannot pick up their child on time they are expected to contact the school so that suitable arrangements can be made.

# HEALTH

## SICKNESS

It is a requirement that parents keep their child who is displaying signs of illness, including temperatures, runny noses, bad coughs or any other worrying symptoms. ## MEDICATION AT SCHOOL

### [St Louis School Administration of Medication to Students Guidelines](#)

The school acknowledges that certain students may require prescribed medication during the day. The school also understands that the administration of prescribed medication by the parent or carer of the child, or by appropriate medical authorities is not always possible at the prescribed time during the school day. In this regard, the school will administer prescribed medication under the following conditions:

## CONDITIONS FOR ADMINISTERING MEDICATION AT SCHOOL

1. Medication is to be taken to the school office by the parent or carer and a detailed medication authority form has been provided giving clear instructions as to the dose and time to be taken.
2. The medication MUST be prescribed to the student and in its original packaging. There will be no changes in the dosage or the times medication is administered without the written permission from the doctor

3. If medication is only for 2 days, the parent or carer can sign the form. If medication is for a longer period - or continuous, it MUST be signed by a medical practitioner with an AHPRA number.
4. Medicines, tablets etc will be stored in the First Aid room. Students are not permitted to be responsible for their own medication nor re medicines to be kept in teh classrooms or student's bags.
5. Medications will be administered by the school Administration staff and if they are not present when the medication is required, it may be administered by any other member of staff provided that that person is clear about whom the medicine is prescribed for and the dosage to be given.
6. When on an excursion, the teacher in charge will have a first aid bag. This first aid bag will include the mediations for students required on the day

**Policies connected to the following areas can be found [here](#) under Care, Safety, and Welfare of Students**

### **ASTHMA AT SCHOOL**

Medications delivered by an Asthma inhaler will be administered by trained staff members. All rules for prescription medication shall pertain to asthma medications. Students MUST have an up to date Asthma Action signed by a practitioner and uploaded to Operoo by the parent or carer.

### **ALLERGIES AT SCHOOL**

Students who suffer from allergies including hayfever must have an 'Allergy Action Plan' signed by a practitioner. Parents are to provide the antihistamine that is listed on the action plan to the school office. This medication will be stored in the sickbay and only administered by office staff. Parents will be called before this medication is administered.

### **ANAPHYLAXIS AT SCHOOL**

Anaphylaxis is a severe and sudden allergic reaction when a person is exposed to an allergen. The most common allergens in school-aged children are eggs, peanuts, treenuts (e.g cashews) cows milk, fish and shellfish, wheat , soy and certain insect bites and some medications. If your child has been diagnosed as being at risk of anaphylaxis, you should inform the school as early as possible of any foods, or times your child is allergic to. You MUST supply an Anaphylaxis Action plan with an updated photo of your child and signed by your doctor. You must also supply your childs up to date Epipen. School staff regularly undertake training in recognising and responding appropriately to an anaphylactic reaction, including Epipen training. St Louis will send home an Anaphylaxis Minimisation form for you to read, sign and return yearly.

#### **Action Required:**

Parents of students with severe allergies are required to:

1. Provide the school with an Anaphylaxis Action Plan. This form needs to be completed by a medical practitioner and must include a photo, allergic triggers and an action plan
2. Supply in in date Epipen
3. Update your child's Operoo account

**Policy Requirements:**

1. Students with severe food allergies must only eat food that has been prepared at home or provided by the parent. These students are discouraged from purchasing items from the canteen
2. There is to be no trading or sharing of food, food utensils or food containers
3. students are encouraged to wash their hands after eating
4. Bottles, other drinks and lunch boxes provided by the parents or carers must be clearly labelled with the name of the child for who they are intended
5. Our risk minimisation approach also includes asking for parent's cooperation in refraining from sending foods that contain peanuts, tree nuts (eg. hazelnuts, cashews, almonds) egg, cow's milk, wheat soybean, fish and shellfish to school, where a child in a particular class has an anaphylactic reaction to any of these food allergens.

For further details, see our "Anaphylaxis Management Policy" or the school website.

**NON PRESCRIPTION MEDICATION**

The school will not assume the responsibility for assisting in the administration of non-prescription medications unless a medication authority form has been completed by a registered practitioner.

**SICK AT SCHOOL**

If your child is unwell or injures themselves at school they will be sent or taken to the sickbay. If you are called by office staff to collect your child it is an expectation that you will make yourself available to collect your child as soon as possible or be able to arrange for one of their emergency contacts to collect them in a timely manner.

All children's visits to sickbay are recorded.

Please remember that office staff are not qualified medical staff.

**HEADLICE**

Headlice and their eggs do manifest from time to time in kindergarten and school life. Head lice are classified as 'infestation', they are not a disease. Lice and nits are not fussy about whose hair they inhabit. They love clean hair! Please check your children's hair regularly. Parents will be notified if the school suspects your child has head lice. classes will be notified via Operoo of confirmed cases. Parents are responsible for the treatment of headlice. Children with head lice can be readmitted to school as soon as treatment has commenced.

# SACRAMENTAL PROGRAM

1. The Faith Development Team will be responsible for coordinating the parish sacramental program and facilitating parent information and education sessions.
2. The Parish Sacramental Program will be taught within the school and catechist classes, based on the Religious education Texts and Guidelines for Religious Education, prepared by the Archdiocese of Melbourne and other available resources.
3. Children must be baptised Catholic to be eligible to receive further church sacraments.
4. In normal circumstances children will be eligible to receive only one sacrament per year
5. Children can only receive sacraments in the following order: - Reconciliation, Eucharist, Confirmation.
6. A family sacramental focus will be offered in each year from P-6 to support preparation for the sacraments. The focus of the sessions at Prep, Year 1 and 5 are a prerequisite requirement for the preparation for the Sacrament of Reconciliation in Year 3, First Eucharist in Year 4, and Confirmation in Year 6. As such it is an expectation that students will attend with a parent/carer on these events, as follows:
  - Prep - Prayers in Pyjamas
  - Year 1 - Baptism
  - Year 2 - Introduction to Church Sacraments
  - Year 3 - Preparation for Reconciliation
  - Year 4 - Preparation for First Eucharist
  - Year 5 - Spirit Filled People
  - Year 6 - Preparation for Confirmation
7. The preparation for each sacrament is an ongoing journey and is carefully integrated with the normal Religious Education Program. Prior to each sacrament an intensive period of preparation is undertaken between home, school and parish.
8. Orthodox students who have received the Sacraments of Initiation in their own faith tradition, and students from other faiths, are welcome to enrol and participate in parish sacramental programs and receive a blessing at these ceremonies.
9. Students participate in an intensive program in the weeks preceding the sacrament. Important aspects of the sacramental program take the form of a Parent Faith Night, Commitment Mass, Family Activity Night, Journey Mass, Reflection Day and celebration of the Sacrament.
10. Eligible students new to the school will be given the opportunity to receive the sacrament according to the sacramental timetable.

## STUDENT WELLBEING

Young people thrive in school when they feel happy, confident and secure. Student Wellbeing is a whole school approach in partnership with parents and the wider community. St Louis makes every effort to provide a safe and supportive environment so that students feel safe and are free from harm.

St Louis works with parents and carers to provide every possible assistance and support for the wellbeing of students. Our student wellbeing coordinator oversees support programs offered to

students and works with the Principal and teaching staff to develop and maintain a safe and supportive school environment.

St Louis has access to a wide range of student wellbeing support including child protection, student health services, personal development, safety, resilience and mental health, behaviour management, anti-bullying and drug education.

## **CHILD SAFETY**

At St Louis de Montfort's, we hold the care, safety and wellbeing of children and young people as a central and fundamental responsibility of our school. Our commitment is drawn from and inherent to the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the gospel - [Child Safety Policy](#)

Everyone employed or volunteering at St Louis de Montfort's has a responsibility to understand the important and specific role they play individually and collectively to ensure that the wellbeing and safety of all students is at the forefront of all they do and every decision they make. We have developed a Child safety code of conduct that is signed off by all staff and volunteers which recognises the critical role that school staff play in protecting the students in our care and establishes clear expectations of school employees, volunteers, contractors and clergy for appropriate behaviour with children in order to safeguard them against abuse and/or neglect.

The school has allocated roles and responsibilities for child safety as follows:

**A Child Safety Team** - The Child safety team assists the Principal. It works in identifying and mitigating risks in child safety. It also supports the Principal to monitor implementation of school policies, procedures and practices and to identify professional learning.

### **St Louis Child Safety Team**

Carmel Stutterd - Principal

Tanya Stefanec - Deputy Principal Wellbeing Leader

Rose Carnovale - Pastoral Care

Sarah Talbot - Learning Diversity

### **A School Child Safety Officer Role**

A school leader for child safety should have sufficient status and authority, including leadership support and the ability to direct other staff, to undertake the role effectively. Broad areas of the role are to:

#### **Provide Authoritative Advice:**

- Act as a source of support, advice and expertise to staff on matters of child safety
- Liaise with the Principal and school leaders to maintain the visibility of child safety
- Lead the development of the school's child safety culture, including being a child safety champion and providing coordination in communicating, implementing, monitoring, enhancing and reporting on strategies to embed a culture of child safety

**Raise Awareness:**

- Ensure the school's policies are known and used appropriately
- Ensure the school's child safety policy is reviewed in the context of school self-evaluation undertaken as part of the school accountability framework
- Ensure the child protection policy is available publicly and parents are aware of the fact that referrals about suspected abuse or neglect may be made and the role of the school in this
- Be alert to the specific needs of children in need, those with special educational needs and young carers
- Encourage among all staff a culture of listening to children and taking account of their wishes and feelings in any measures to protect them

**Train:**

- Being authoritative in providing advice by:
- keeping their skills up to date with appropriate training carried out every two years
- having a working knowledge of how the Department of Health and Human Services (DHHS) and Community Service Organisations conduct a child protection case conference to be able to attend and contribute to these effectively when required to do so
- Be able to keep detailed, accurate, secure written records of concerns and referrals
- Ensure each member of staff has access to and understands the schools child safety policy and procedures, especially new and part time staff
- Make sure staff are aware of training opportunities and the latest DHHS and DET policies and guidance

**STUDENT BULLYING OR HARASSMENT****[Anti-bullying Policy](#)**

Bullying is a form of harassment. Bullying is generally an act that is repeated over time and involves the inappropriate use of power by one or more persons over another less powerful person or group. Bullying can take many forms such as: physical, verbal, visual, sexual, racial, exclusion or extortion. Bullying is not treating others with the respect that they deserve.

Bullying in any form is unacceptable and will not be tolerated. Reports of bullying will be treated and investigated thoroughly. Disciplinary action will be taken against anyone found to be guilty of bullying or harassing any student, member of the school community or any visitor.

**MANDATORY REPORTING OF CHILD ABUSE**

Staff have the responsibility of contacting Child Protection Services if they believe a student at their school is harmed as a result of child abuse or is at risk of harm. Child Protection Services is part of the Department of Health and Community Services and is responsible for investigating reports of child abuse. All primary and secondary teachers and school principals in Victoria area under a legal obligation to tell Child Protection Services of their concerns if they believe a student is at risk of harm through physical injury which results from abuse or neglect or sexual

abuse. When a teacher makes a report to Child Protection Services, it is the responsibility of the child protective worker to decide whether those concerns should be followed up with a visit to the student and family member.

## **COURT ORDERS**

In the event where a current court order applies to a family situation, the custodial parent is obliged to present the school with a copy of the court order to ensure that the school is aware of any custody arrangements. Where there are no court orders in place and parents are separated, the school needs to be notified of current mutual access arrangements.

# **FOOD AT SCHOOL**

## **HEALTHY EATING POLICY**

A Healthy lifestyle is vital to good health at all stages of life but especially in childhood. It is during childhood, especially in the primary school years, that children develop lifestyle habits that can last a lifetime. It is also at this stage that major growth and development occurs, to which nutrition and a well-balanced diet is fundamental.

Fruit break ideas include:

- fresh fruit and vegetables (eg: whole fruits, fruit salad, chopped melon, celery or carrot sticks, cherry tomatoes)
- dried fruit (eg - apricots, prunes, raisins, sultanas)

School lunch ideas include:

- sandwiches or pita bread with cheese, lean meat or salad
- cheese slices, crackers with spread
- frozen water or milk, particularly in hot weather

Foods to limit in school lunches include:

- processed meats such as salami and pressed chicken
- chips, sweet biscuits, muesli bars and breakfast bars
- fruit bars and fruit straps
- cordials, juices containing sugar and soft drinks

## **LUNCHES**

You are asked to give your child a lunch in a lunch box if possible. It would be helpful if children bring their drinks in plastic drink bottles. It is important that each child have an amount of lunch that can be eaten comfortably in the time allowed (10 mins). We ask that parents provide their child with a piece of fruit daily and that particular attention be given to providing a nutritious lunch. *PLEASE NOTE: Do not give your child glass drink bottles or cans as they constitute a danger. Drinks in plastic containers are fine.*

*NO CHEWING GUM OR BUBBLE GUM IS ALLOWED AT SCHOOL*

# SUNSMART REQUIREMENTS

As part of general SunSmart strategies our school will:

1. Require students to wear an approved school broad-brimmed, legionnaire or bucket hat whenever they are outside from 1st September to 1st May during recess, lunch, sport and excursions (whenever they are outside)
2. Educate the children with the motto "No hat, no play". If they do not have a hat, they will be required to sit passively under the verandahs for the duration of recess or lunchtime.
3. Remind parents to provide SPF 30+ broad spectrum, water resistant sunscreen for their child's use.
4. Encourage the daily application of sunscreen before school and prior to the lunch break.
5. Encourage children to use available areas of shade for outdoor activities (eg verandahs, shade cloths, trees etc)
6. Request staff and parents to act as role models by practicing SunSmart behaviours

## BUDDIES

A buddy system exists at St Louis de Montfort's whereby all students are allocated a buddy annually to help them develop relationships and a sense of belonging and connectedness to the school community. Buddy classes are outlined in the list below. Individual students will be paired off with new buddies for the year. The buddy program is particularly important for new students to support them with the transition to their new school environment.

They are invaluable in stimulating the children's interest and are always preceded or followed up by class work relating to the excursion. It is expected therefore that unless a serious reason prohibits it, all children will normally take part in these activities. Parents will be notified via Operoo at all times when teachers plan for students to leave the school grounds.

## LIBRARY

The school library is the centre of the school's available resources which are provided for interest, information, tuition and enlightenment for all of the community that St Louis Library serves.

The library is fully computerised and houses a large variety of resource materials including Picture Story Books, Fiction, Non-Fiction books, take home readers, and other parent and teacher resources. All children are encouraged and expected to borrow books from the library regularly through the school year. Students may borrow during their library session or before and after school.

To help protect books from being damaged in transit it is expected that children in Prep to Year 3 will have a library bag. These may be purchased from the uniform shop. If library books are lost or damaged through carelessness, it is expected that the replacement cost will be met by the child/family concerned. The library will present an invoice for the replacement cost.

The library offers a small collection of books for parents to borrow that relate to the development of your child. Some of the titles include the topics of resilience, good health and nutrition, raising children, sibling rivalry, discipline, sex education etc.

### **BOOKCLUB**

School fees are payable over 3 equal instalments, collected at the end of Term 1, Term 2 and Term 3. Payments can also be made in smaller instalments (weekly/fortnightly/monthly) using the schools direct debit forms.

There is no reimbursement of school fees for families where students are absent from school for a prolonged period due to family holidays as the school is holding an enrolment place open for your child.

Any family who is seeking special consideration for a concession on School Fees, should make an appointment with the Principal early in the new year. If you are having difficulty in paying fees, or if you find that you cannot pay them by the due date, don't delay to contact the Principal or office staff. There is always a solution.

### **SEPARATED FAMILIES**

# **STUDENT PERSONAL BELONGINGS**

The school discourages students from bringing valuables to school. Whilst we will take reasonable measures to find valuables that are lost or misplaced, the ultimate responsibility for the care of these items must rest with the students. Families are advised to give careful consideration before allowing their child/children to bring valuables to school.

# **PARENTAL INVOLVEMENT**

We believe that parents make an important contribution to the life of the school and consequently there are many avenues and opportunities available for parent involvement. The most valuable assistance to the school is provided by Classroom Helpers who support literacy and Numeracy in classrooms. A training course is provided to increase understanding of literacy acquisition, assist in the development of their questioning skills and assist them in providing support for small groups of students in the literacy program. An Operoo will be sent out in Term 1 for training sessions and asking parents to sign if they want to be a Parent Classroom helper.

# **WORKING WITH CHILDREN CHECK**

A Working with Children Check (WWC) will be required for all volunteers who assist the school whether it be on campus or off campus. This includes our PFA and SAC members. bile

If you hold a VIT card or are a Police Officer, these supersede the WWC check - please present your registration card or badge at the office.

# **VISITORS PASS**

Everyone that enters St Louis must come through the Office and sign in at our Compass Kiosk. When signing in, your Working With Children Check (or VIT) must be sighted by office staff. The school must be notified immediately if there is a change in address, email or phone number of parents or carers. This is to ensure contact in the case of emergencies.

# **MESSAGES TO TEACHERS**

Teachers can be contacted via email and you can expect to receive a response within 48 hours. Anything sent along to school for the class teacher or office should be in an envelope or bag clearly marked with teachers' name and the child's name, if money is sent

## REQUEST FOR SCHOOL WORK FOR FAMILY HOLIDAYS

It is unreasonable for parents who choose to take family holidays during school time to expect the school to provide work in advance for students to complete while on vacation. Worksheets are not a substitute for teaching and are only used to consolidate learning introduced and explained by the teacher. Teachers only plan in detail a week in advance. Holidays are a time for family bonding, fun, enjoyment, sightseeing and social interaction. If you feel that your child should be doing schoolwork, then we suggest the following:

- keep a daily diary or journal
- take lots of photos and put together an album including descriptions
- take books and novels to read
- newsagents and book stores sell age appropriate textbooks to consolidate Mathematics, Spelling and English skills

It is not appropriate to send any of this work to school expecting the teacher to correct it or that child should present it to the class as it has no relevance to the classroom program.

## PARENTS AND FRIENDS ASSOCIATION

Every school needs to have an active parent body. The Parents & Friends Association is the main formal avenue for parental involvement and participation in the life of the school. It strives to promote the welfare of the school community and stimulate interest in the school. The two primary purposes of this group are to hold social gatherings for families to get to know each other and functions which raise funds for the school to purchase equipment above and beyond the scope of the normal school budget.

Activities and functions are advertised through the School Newsletter and via posters displayed around the school. Parents are welcome to become involved on the committee. The final meeting in the school year is traditionally the Annual General Meeting, which is held in late November/early December. At this meeting all positions are declared vacant and a new committee and class representatives are elected. Priorities and activities for the year are also established.

The PFA are asking for 1-2 people from each year level to assist with either communication with their classes or volunteering to assist with events. You can assist as little or as much as you would like - every bit helps and the PFA would be grateful to have you assist them. They are committed to focusing on the community and raising funds for our school and students.

If you would like to join the PFA, please email the secretary at:

## SCHOOL ADVISORY COUNCIL

School Advisory Councils are an important expression of the educational partnership that exists between parents, schools, parishes and the wider community. They provide a structure and a

process of shared leadership and collaborative decision making where ‘Many gifts, one Spirit’ facilitates a climate of good governance that supports the ‘effective development of the strategic direction of the school’. This is in line with the vision of Catholic School Parents victoria (CSPV) that hopes to see parents of children throughout Victorian Catholic education engaged as valued partners in supporting children’s learning, and providing leadership and shared decision-making alongside educators.

Please remind your children to use this crossing and model appropriate safety behaviour when parking in our local streets. Please note that there is a 40km/h speed limit outside of schools and 50km/h speed limit in local streets.

## **LEAVING ST LOUIS**

If you are leaving St Louis for any reason, we ask that you advise the school office as soon as possible so that we can finalise the enrolment in a timely manner.

## **SECONDARY SCHOOLS APPLICATIONS**

Applications for Catholic Secondary Schools are generally due while your child is in Year 4. It is therefore important that you take the opportunities presented by Open Days at secondary schools to help you make an informed decision. These Open Days are advertised in our newsletter, but you should also keep your eye on the secondary school websites for information.

Acceptance of your child’s enrolment at a Catholic Primary school does not guarantee enrolment at a Catholic Secondary School. St Louis is a feeder school to St Bedes’ College in Mentone and Kilbreda College in Mentone.

Applications for government Secondary Schools are generally due in Semester One when your child is in Year 6. Applications can be collected from the St Louis school office, or directly from the Government Secondary School.
